- 1 \* SO-DIMM DDR3L 1600MHz up to 8GB
- 1 \* DVI-I , 1 \* HDMI
- Form Factor : 430 x 250 x 44 mm
- AC 90~240V\_200W FLEX Power

|                   |                                                                                                                                                                                                                                  |
|-------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Product Dimension | – 430 (W) * 250 (D) * 44 (H) mm                                                                                                                                                                                                  |
